

# The Black and White Event Company

**Murder Mystery** - Up front he is a bona fide business man, selling property abroad but his past has mysteriously disappeared. Trouble is his middle name!

The evening would start over pre dinner drinks with an opening scenario, culminating in DEATH! The clients would then be ushered into the dining room & the local Mr. Plod, D. I. Willie Catchem arrives to investigate the crime. During the main course the clients are given an opportunity to interrogate the suspects & then during the dessert they will fill in verdict forms. We then have a bit of fun before acting out the closing scenario revealing what actually happened.

**It's a Knockout** - It's A Knockout is an action packed fun event that is amusing and challenging for participants, and highly entertaining to watch; ideal for fast and furious corporate days out or team building events. With many of our activities taken from the original TV series this is the real "It's A Knockout" - memorable and fun for competitive teams. Be prepared for a wet and steamy event!

It's A Knockout is a highly entertaining, visual & fun team event full of weird & wacky games. Games can be run dry, but most of the games run better with a little water literally thrown in.

**Barbeque Boot Camp** - Following the success of our World Championship BBQ Team, we are now providing a superb opportunity for you to fully learn and understand the art of barbecuing in a fun and friendly way.

The Day Begins mid-morning with coffee and warm chocolate brownies (cooked on the BBQ.) There will then be some theory about the BBQ, then into action. You'll have the chance to create a delicious three course meal, all of which (yes, including desserts) will be cooked on the BBQ. You'll go home having learned the special techniques which could turn you into an expert barbecuer too.

**Dragon Boating** - Dragon Boat racing involves teams of up to twenty paddlers in a 40 foot boat with a drummer and helm, paddling frantically to beat the other teams down the course. The drums, shouting and colourful boats make it an impressive and exciting sport both to watch and to compete in.

The races are a colourful spectacle, with at least two boats competing against each other over distances from 200 to 2000 metres and above. Not only are strength, endurance and skill important but teamwork and harmony of purpose.
