

The Black and White Event Company

Gourmet Experience

Chocolate Workshop - The delegates will be welcomed into The Chocolate Workshop by the pleasurable task of testing a delicious chocolate fountain. Under the expert guidance of the chocolatier, the delegates will then get hands on mixing, piping, cutting, shaping, coating and finally packaging their very own delicious Belgian truffles.

Create your Canapés – This event can be tailored to suit your company requirements. This is a culinary experience, where the whole group have the opportunity to learn new skills, have fun, and create gourmet canapés and petit fours. With expert chefs on hand your group are guaranteed to enjoy this challenge however good (or bad) they are in the kitchen!

Ready Steady and Cook – The emphasis is on fun, relaxation and enjoyment. Rather than mindless amounts of chopping or arm-straining mixing, participants are invited to ‘sip and stir,’ enjoying fine wines as they cook in a state-of-the-art kitchen. At the end of their session, hungry, fully relaxed teams sit down together and are served the gourmet food they have created themselves.

Barbeque Boot Camp - Following the success of our World Championship BBQ Team, we are now providing a superb opportunity for you to fully learn and understand the art of barbecuing in a fun and friendly way. You'll have the chance to create a delicious three course meal, all of which (yes, including desserts) will be cooked on the BBQ. You'll go home having learned the special techniques which could turn you into an expert barbecuer too.

Wine Tasting Workshop - Our team of lively wine experts have many years of experience in their field and are aware that entertainment stems from humour, participation and a convivial atmosphere. This workshop can be run as an educational event OR a highly participative and best run towards the end of the day!

Cocktail Workshop - This fully interactive package encourages teams to battle it out, with detailed instruction from some of the UK's leading cocktail performers. Be prepared for some serious fun while you learn how to mix the perfect cocktail and serve in style. Our team of expert cocktail barmen will help you mix, taste and present some of world's most exotic and delicious drinks. They will also demonstrate and teach you some “flaring”, the art of juggling bottles and pouring cocktails with flair.

Be an Ice Carver - “Ice carving” is a cool team building. Here is an event that is genuinely different, challenging and creative. The beauty of ice sculptures always takes your breath away - and here's your chance to learn how it's done. The participants to split up into teams, their ultimate goal being to sculpt a big block of ice into a masterpiece, demonstrating just how powerful frozen water (and teamwork) can be...
