Inflatable Challenge

Gladiator Jousting - Contenders stand on podiums surrounded by an inflatable bed. Armed with pugil sticks, & a helmet & gloves for protection contenders take it in turn to battle it out.

Human Table Football - Table football with a difference. A 50' long & 30' wide inflatable wall surrounds the pitch, with goalmouths at each end. Players are harnessed to the bars running across the pitch, with goalies being attached to Bungee ropes. Each team has to score as many goals & concede as few as possible in the allotted time.

Bungee Run - Consisting of a 30' twin lane inflatable, where by contestants are harnessed to Bungee ropes. The objective is to place a velcro batten as far down the inflatable as possible before the Bungee cord snatches you back. The furthest 'sticking' mark wins.

Inflatable Olympics - A head to head relay race involving an inflatable assault course consisting of tunnel, wedge, wall, biff bash men & mangle. Survival of the fittest!!

Inflatable Beach Volleyball - Prepare for lots of team fun on this 20' x 40' bouncy volleyball court, complete with coconuts & palm trees.

Bucking Camel - A great variation from the Rodeo Bull, the Bucking Camel is a must have for an Arabian themed party or any themed event. It can offer that something bit extra as it delivers fun and laughter for everyone involved.

Penalty Shoot - Penalty Shootout is a wacky version of the real thing. Step up and slot the ball past the keeper as Michael Owen would do then take your turn to bounce around as the goalie. This activity is a welcome addition to any sporting or football themed event.

Pulsar Laser Quest - Armed with their laser guns players enter the smoke filled inflatable maze to do battle. Players attempt to shoot their opponents while trying to avoid becoming a target themselves. With the hi-tech guns recording all the scores the true champions will be found. With the option of playing in teams or as individuals this activity will add a new dimension to your event.

The Aqua Extreme - This inflatable, which has superseded the very popular 'Telephone Exchange', is now our No. 1 in inflatable obstacle course. Our tropical version of the giant obstacle course starts with 2 participants going through the tubes, then off through the pop-ups, through 2 log jams, climb up and over and slide to the finish.
