## Games

## Funfair

**Ball In A Bucket** - A test of skill – can you get the ball in the bucket to win a prize?

**Coconut Shy** - A traditional favourite funfair stall. Can you knock the coconut off the pole to win?

**Cork Shooting Stall** - Shoot the air pistols or rifles to knock down targets to win.

**Hoop La** - A real test of coordination, all you have to do is land the hoop over the prize to win!

**Popcorn Stall and (or) Candyfloss** - A firm favourite with children and adults alike.

**Stocks** – It's time for revenge! Put your friends and colleagues into the hot seat and test your targeting skills.

## Pub

**Pinball Machine** - A classic form of entertainment that can keep guests occupied for hours. With a selection of traditional and new styles available, we can find the perfect compliment for your event.

**Pool Table** - High quality portable pool tables are very popular at parties and for conference breaks. Free and consistent use means that everyone can compete to get the black in first!

**Skittle Alley** - A great fun traditional pub game. A 24ft long alley will test your skills, ready for your first strike!

**Table Football** - Up to 4 players can test their agility and speed. Spin the players...Goal!

**Wurlitzer Juke Box** - perfect compliment for a 1950s themed party. We have a selection of stunning traditional or modern Juke boxes. Select from your favourite vinyl or CDs. A free pay system ensures that the Juke box will be a hit all night!

## Simulator

**Final Furlong** - 2 Players assume the position of Jockeys and gallop to the finish line. The players have to rock the horse backwards and forwards to stimulate the jockey's movements. Just remember not to tire your horse too quickly! There's the choice of three courses, 6 Furlongs, 1 Mile and 1.5 Miles. This game is just as much fun to watch as it is to play!

**Air Hockey** - This 7ft air-perforated platform creates a fast and furious two player game. The aim is to knock the puck into your opponents' goal as many times as possible. An electric score counter keeps tally.

**Basketball Shoot** - A real tester for basketball fans! Jump and dunk your balls into the one lane large basketball ring. An electric score counter keeps tally.

**Dance Revolution** - Two players stand on a dance podium consisting of 9 foot pressure pads in the shape of arrows. In front is a large video screen showing dance routines and sequences. You have to match the dancer on the screen. The unit calculates your accuracy and reaction speeds. Can you perfect the dances? Can you beat the competition?

**Nintendo Wii Games** - "Wii is not just a gaming console, it's a reason to get together with your friends, family or colleagues & play today's most interactive games" Our set-up comes complete with 50 inch Plasma Screen & Operator. Up to 4 players can participate.

**Manx TT Superbike - Welcome** to the exciting world of TT Racing! Based on the world famous Isle of Man TT Race, this simulator faithfully reproduces, in superb detail, all the thrills and spills of a high speed race around the original Isle of Man course. By far the most impressive motorcycle simulator on the market, the Manx TT incorporates the very latest in RGB technology, capturing in fantastic detail all the narrow streets, mountain passes, picturesque villages, and much more!

**Pro Swing Golf Simulator** - Now you can play a full 18 holes of golf indoors. Entertain your guest with nearest the pin or longest drive competitions, even putt out.

The simulator is ideal for competitions such as longest drive or nearest the pin, but it can do much more. The computer can accurately monitor your swing and identify areas for improvement by monitoring your swing pattern, club head speed, angle of address and contact with the ball. The technology not only enables swing analysis, you can even play a full 18 holes and putt out!

**John Wayne Quick-Draw** - This game will test your speed and accuracy. Hands by your side wait for the light then 'Draw'. The electronic score board will show just how quick you are. Ideal for 'Western' themed evenings.

**Scalextrics 6, 4 or 2 lane** - Here's one for all you budding Lewis Hamilton's out there! Our custom-built Giant 4 Lane Scalextric track is a great visual piece with its stunning scenery. This is an excellent feature to have at any party or event, as it will have drivers queuing up to take on their friends and colleagues.

**Horse Racing** - We can bring you all the fun and excitement of the races but in the comfort of your own venue. Our compère, using video screen projection / plasma screens together with a professional sound system with interval music, will present the 6 – 8 races with eight runners in each. Tote tickets and race cards are provided. All our races have close finishes with the winner being in doubt right up to the post.

Your guests really will have something to shout about as they watch their selections battle it out...on the flat and over the fences! After each race team leader boards will be displayed to show how well or bad the teams are doing, while the winnings and the next race cards are handed around.

**Clay Shooting Simulator** - If you love to shoot but need a safe indoor option then look no further. Static clays appear on a large backdrop upon hitting the target scores are shown on a score board. This simulator can cater for up to 5 participants of any standard – beginner or professional, and makes the perfect compliment for Wild West themed events.

**Casino Night** - Black and White Events provide fully authentic casino events with professional croupiers, who will bring great fun and excitement to your event. Using only the highest quality gaming tables we offer the most popular and traditional gaming tables and we will ensure that your event will be remembered by you and your guests long afterwards.
